Subject: Property Owner Authorization Form for Minor Repairs for Tenant(s)

Contractor: AG Pacific Construction

I, the undersigned, as owner of the premises located at: _____
(property address) acknowledge that _____ (Handyworker Program applicant)
is a tenant residing at the above address. I authorize the Handyworker Program contractor named above to enter
my property to install emergency or accessibility devices. I may request the service date, so I may be present for
the repairs.

I understand that the service is free of charge to both the property owner and the tenant. The City of Los Angeles
pays for the cost of materials and labor. The type of work is very limited and cannot exceed \$300. The work will
not include customized appliances, installations, and/or repairs.

I agree to hold harmless the contractor above and the City of Los Angeles from the acts or omissions of the
Handyworker Program contractor, its agents, or employees, occurring against the dwelling or any occupants that
may result from said activities. At my request, certificates of liability and worker's compensation insurance will
be provided to me. I may request the service date, so I may be present for the repairs.
